

Customer Authorization To Process Leather and Suede Garments

- This garment has stains which probably will not come out.
- Thin skins or defects in skins may break open in cleaning.
- Colors may run into each other on this multi-colored garment.
- The feel or texture of this garment may be altered by the cleaning process.
- If we add color to this garment, the leather may not feel as soft.
- Thin skins or defects in skins may break open in cleaning.

I am aware of the possible problems in cleaning my garment and hereby authorize you to process it.
