CONSIGNMENT GUIDELINES

Hudson Furs is now accepting customer's fine furs and shearlings for sale in our "Pre-Owned Fur" collection.

CONDITION – All items must be in excellent condition, recently cleaned and in good repair. (We can clean and/or repair your garment at reasonable prices if needed.)

CONSIGNMENT FEE – All items will be subject to a non-refundable \$36 charge, which will include free cold storage and \$100 of insurance while the garment is in the possession of Hudson Furs. Additional insurance is available for \$2.00 per hundred dollars of insurance. (If you have a homeowners insurance policy covering your fur you probably do not need to buy additional insurance.)

DURATION – We will place your item in our "Pre-Owned Fur" showroom for ninety days. After that time, Hudson Furs may continue to show the item in the showroom, or may place it in our Certified Cold Storage Vault (on premises). Anytime the item is not in the showroom, it will be placed in the Vault. If an item remains unsold at the end of the year, an additional storage and insurance fee will be charged. You may remove your item from consignment at any time before it is sold.

PRICING – You tell us how much you want for your garment. If we accept the consignment, we will pay you that amount after it is sold. Pricing of all items will be done by Hudson Furs.

PAYMENT – After a final sale, payment will be made by the 15th of the month following the sale.
